

Safiran Asia Marketing Company

Safiran a Different Way to Live a better life

— DBJ
SIBMLM

Diba Bahrevar Jahan

Diba Bahrevar Jahan Holding, abbreviated as DBJ, was established in 2004.

It began its operations in the production of industrial lubricants in the Arasanj Industrial Park located in Buin Zahra.

Subsequently, the production line for automotive care products was launched, and in 2015, the company relocated to the Kermanshah Industrial Park, where the production line for nano detergents was added. With a strategy of localizing cutting-edge global technology and relying on the findings of our country's scientists, the company quickly established itself as a producer of high-quality products among its customers by producing the necessary nanoparticles.

The company's range of products includes various sanitary detergents, personal hygiene products, household and automotive care products, such as sulfate-free shampoos, liquid hand soaps, degreasing cleaning solutions, hand sanitizing gels and solutions, specialized skin and hair care products, nano car wash waxes, and products with liposomal technology, as well as the production of sericin and liposomal sericin proteins

skin care

Tinted sunscreen

60
ML

Product Specifications:

- Provides SPF 50 protection against sunburn and harmful ultraviolet rays.

Product Ingredients:

Paraffin, Vaseline, Stearic Acid, Glycerin, Cetyl Alcohol, Beeswax, Cetyl Dimethicone, Caprylyl Glycol, PEG-40 Hydrogenated Castor Oil, Sodium PCA, Benzophenone-4, Steareth-25, Vitamin E, Bisabolol, Cosmetic-grade Fragrance, Zinc Oxide, Phenoxyethanol, Knotweed Extract, Titanium Dioxide, Red Iron Oxide, Yellow Iron Oxide, Disodium EDTA, Black Iron Oxide, Talc, Allantoin, Deionized Water.

Product Description:

Ultraviolet (UV) radiation from sunlight consists of two types of photons: UVB and UVA. UVB, with its shorter wavelength, can cause significant damage to DNA and is the main cause of sunburn and skin cancer. UVA, with its longer wavelength, penetrates deeper into the skin and produces free radicals that can lead to premature skin aging and immunity issues. Sunscreen acts as a protective barrier, intercepting UV photons before they can harm the skin.

The active ingredients in Safiran sunscreen prevent the absorption of ultraviolet light by the skin.

Usage instructions:

Apply a sufficient amount of sunscreen to your fingertips and evenly spread it over all areas exposed to sunlight. Apply at least 15 to 30 minutes before sun exposure. Reapply every two hours, and after sweating, swimming, or towel drying.

ML

Spirulina Algae Hydrating Cream

Product Specifications:

- Prevents skin aging
- Aids in collagen production and enhances blood circulation in the skin
- Contains nutrients and minerals
- Anti-inflammatory and improves skin texture
- Suitable for all skin types

Product Ingredients:

Vaseline, glycerin monostearate, beeswax, green spirulina algae, cetyl alcohol, stearic acid, approved cosmetic and hygienic fragrance, deionized water

Product Description:

Safirán hydrating cream utilizes the exceptional properties of spirulina algae to provide ideal skincare and deep hydration. Spirulina, packed with powerful antioxidants, helps combat free radicals and prevent premature skin aging.

The amino acids maintain skin firmness and aid in collagen production, while the B vitamins, vitamin E, and minerals reduce inflammation and improve skin texture. Regular use of this cream not only deeply hydrates the skin layers but also helps maintain its beauty and youthfulness.

Usage instructions:

Gently massage the scrub mask onto the skin with circular motions for one minute. Be mindful that excessive pressure can damage the skin and cause redness. After 20 minutes, rinse your skin with lukewarm water and gently pat dry. For better results and to maintain skin health, it is recommended to use this product two to three times a week.

Lifting Cream

Product Specifications:

- Effective in eliminating fine wrinkles
- Deep skin hydration
- Strengthens skin structure and prevents loss of skin elasticity
- Effective in maintaining skin vitality and brightness

Product Ingredients:

Cetearyl Alcohol -Stearic Acid -Petroleum Jelly -Glycerin -Mineral Oil -Glycolic Acid-
Hyaluronic Acid -Tocopheryl Acetate -Vitamin C -Phenoxyethanol -Phosphatidylcholine -
Ethylene Glycol Monostearate -PEG 100 Stearate -EDTA -Triethanolamine -Deionized
Water -Propylene Glycol -Fragrance -Liposomal Coenzyme Q10

Product Description:

Safirán rejuvenating skin cream is enriched with powerful ingredients including liposomal coenzyme Q10, hyaluronic acid, and vitamin C. It provides significant benefits for enhancing skin health and appearance by strengthening skin cells, increasing energy in cells, and enhancing their function.

This helps to reduce fine wrinkles and improve skin elasticity.

The liposomal formulation of coenzyme Q10 ensures deeper penetration into the skin layers, making it more effective. The deep hydration offered by the cream helps retain moisture, resulting in refreshed and smooth skin. Increased hydration also plumps the skin, reducing the appearance of fine lines.

Additionally, the vitamin C in this product boosts melanin production and reduces dark spots. This comprehensive and effective formulation can give you younger, more vibrant, and smoother skin.

Usage instructions:

Before use, wash your face with a gentle cleanser and dry it with a clean towel. Apply a thin layer of the lifting cream to the clean, dry skin of the face and neck, and gently massage in circular motions until fully absorbed. For optimal results, use twice a day, morning and night, for one month.

Skin Rejuvenation Cream

60
ML

Product Specifications:

- Effective in reducing signs of skin aging
- Protects skin tissue against environmental factors
- Reduces the appearance of lines and wrinkles
- Improves skin regeneration process

Product Ingredients:

Cetearyl Alcohol, Stearic Acid, Petroleum Jelly, Glycerin Gel, Mineral Oil, Vitamin C, Phenoxyethanol, Phosphatidylcholine, Glyceryl Stearate, EDTA, Triethanolamine, Deionized Water, Propylene Glycol, Fragrance, Deionized Water

Product Description:

This cream's special and unique liposomal formulation, combined with Vitamin C and Coenzyme Q10, battles the signs of aging and helps your skin resist environmental damage.

Vitamin C, a powerful antioxidant, not only protects the skin from free radical damage but also stimulates collagen production, enhancing skin firmness and elasticity.

It reduces inflammation and redness, lightens under-eye darkness, evens out skin tone, and diminishes skin spots. The Coenzyme Q10 used in this cream, naturally present in our bodies, acts as a key component in cellular energy production.

This coenzyme aids the skin in healing and regenerating from within.

Q10 helps reduce lines and wrinkles, allowing your skin to appear brighter and younger.

With regular use of this cream, your skin will experience positive changes daily, and over time, you will notice significant effects in reducing aging signs and improving skin quality.

Usage instructions:

For better results, apply in the morning after waking up and at night before sleeping on clean skin, and allow it to be absorbed.

Emu Oil Lotion

45
ML

Product Specifications:

- Enhances the skin regeneration process
- Acts as a potent skin rejuvenator and repairer
- Retains skin moisture
- Provides essential fatty acids to the skin
- Assists in relieving joint inflammation

Product Ingredients:

Emu Oil, Collagen, Approved cosmetic fragrance, Zinc Oxide

Product Description:

Emu oil has been used for over 3,000 years by ancient civilizations such as Egypt, Rome, and Africa to address issues including dry skin, burns, wounds, contact dermatitis, eczema, psoriasis, sunburn, bedsores, and skin wrinkles. The fatty acid composition of emu oil closely resembles that of human skin fatty acids.

Its molecules are even smaller than those of human skin and due to its low melting point, it penetrates human skin quickly.

Safirán's Emu Oil Lotion, enriched with organic and natural emu oil, collagen, and ZNO, has been transformed into a unique elixir of youth. Emu oil contains Omega 6, 3, and 9 fatty acids, essential for skin cell repair and regeneration.

Usage instructions:

Apply a few drops of lotion on clean skin and massage until fully absorbed for a few minutes.

100
ML

Spirulina Green Algae Scrub

Product Specifications:

- Deeply eliminates impurities and excess oils from the skin
- Cleanses skin pores
- Enhances skin brightness and clarity
- Contains antioxidants and nourishing substances
- Anti-inflammatory

Product Ingredients:

Stearyl Alcohol 98, Vaseline, Stearic Acid, Sweet Almond Oil, Stearate 2, Liquid Paraffin, Dimethicone, Linalool, Green Algae Powder, Permitted Cosmetic Fragrance, Benzyl Salicylate, Deionized Water

Product Description:

Safirán facial scrub uses the power of nature and nanotechnology to keep your skin fresh and youthful. The product contains Spirulina, a green algae rich in vitamins and nutrients, which helps nourish and regenerate the skin.

The antioxidants in Spirulina fight free radicals, prevent premature aging, reduce skin inflammation, and help maintain skin moisture, keeping it soft and supple.

With continuous use, you will witness an overall improvement in the health and beauty of your skin.

Usage instructions:

Gently massage the scrub mask onto the skin with circular motions for one minute.

Be mindful that excessive pressure can damage the skin and cause redness.

After 20 minutes, rinse your skin with lukewarm water and gently pat dry.

For better results and to maintain skin health, it is recommended to use this product two to three times a week.

Facial Cleansing Foam Suitable for Oily Skin

150
ML

Product Specifications:

- Deep cleansing
- Acne and blemish treatment
- Helps maintain the skin's natural oil balance without causing dryness
- Effective for skin wrinkles and fine lines

Product Ingredients:

Glycerin, Texapon 70, Propylene Glycol, Betaine 30, Polyquaternium, Dexpanthenol, Vitamin E, Green Tea Extract, Bisabolol, Salicylic Acid, Phenoxyethanol 90, Ethylhexylglycerin 10, Niacinamide, Permitted Cosmetic Fragrance, Deionized Water

Product Description:

Sefiran Facial Cleansing Foam, leveraging the properties of Vitamin E and Green Tea Extract, deeply cleanses the skin pores.

Vitamin E, as a potent antioxidant, aids in protecting skin cells from environmental damage and prevents moisture loss.

Additionally, Green Tea Extract, with its anti-inflammatory and antioxidant properties, is effective in controlling sebum production and improving acne in oily skin.

With regular use of this product, your skin will not only be clean and free from impurities, but over time, you will also notice an improvement in skin texture and a reduction in signs of aging due to the presence of Vitamin E.

This product is suitable for daily use and helps you achieve clear and healthy skin.

Usage instructions:

Moisten your face with water.

Gently massage the foam onto the skin in circular motions, then rinse with lukewarm water.

Eye Cream

40
ML

Product Specifications:

- Contains natural extracts of bitter orange and bergamot
- Effective in reducing dark circles and puffiness under the eyes
- Strengthens the muscles around the eyes
- Rejuvenates the skin around the eyes.

Product Ingredients:

Glycerin, Paraffin, Silicone, Quaternium-25, Isododecane, Phenoxyethanol, Bitter Orange Fruit Extract, Bergamot Fruit Extract, Sodium Chloride

Product Description:

The skin around the eyes is more sensitive and thus more susceptible to signs of aging, such as fine lines and wrinkles.

Additionally, fluid accumulation in this area can lead to puffiness and dark circles under the eyes.

Safiran Eye Cream utilizes active and effective ingredients, including bitter orange and bergamot extracts, which are rich in Vitamin C and antioxidants. These ingredients help improve blood circulation and reduce inflammation, swelling, and dark circles around the eyes.

It also effectively diminishes signs of fatigue and aging around the eyes.

Usage instructions:

After washing and drying your face, apply a suitable amount of cream with your fingers by gently tapping around the eyes until it is fully absorbed. For best results, it is recommended to use this cream twice daily, in the morning and evening.

40
ML

Vitamin C Serum

Product Specifications:

- Anti-inflammatory and anti itching properties
- Eczema and redness treatment
- Skin brightening and dark spot elimination
- Protection against sun damage
- Deep hydration and moisture retention
- Smoothing and evening out skin texture
- Effective in reducing fine lines and wrinkles

Product Ingredients:

Vitamin C -Licorice Extract -Orange Essence -Glycerin -Vitamin A -Vitamin E -Alpha Hydroxy Acid -Squalane -Bitter Lemon Extract -Hyaluronic Acid -Deionized Water

Product Description:

Safirán's advanced soothing serum is designed to preserve skin beauty and clarity. Continuous use helps reduce environmental damage and signs of aging, supporting skin rejuvenation and brightening. It also diminishes fine lines and wrinkles, promoting a more youthful appearance.

Usage instructions:

Apply a sufficient amount of serum to clean facial skin twice daily, gently massaging until fully absorbed.

Body Lotion

250
ML

Product Specifications:

- This product gives the skin a radiant glow
- enhancing its freshness and vitality
- It helps heal skin cracks
- repairs damaged skin and restores its natural freshness and vitality.
- The lotion has a high absorption rate
- and contains Omega-3

Product Ingredients:

Glycerin, Cyclopentasiloxane, Stearic Acid, Isopropyl Myristate, PEG-400, Hydrogenated Castor Oil, Glycerin Monostearate, Cetyl Alcohol, Sweet Almond Oil, Approved Cosmetic and Hygienic Fragrance, Carbomer, Triethanolamine Aloe Vera Extract, Vitamin E, Deionized Water

Product Description:

The Aloe Vera Body Lotion is suitable for all skin types. It rejuvenates the skin, restoring its natural freshness and vitality, and provides a sense of relaxation. This lotion is oil-free, non-greasy, and quickly absorbed by the skin. Apply this lotion to clean skin to experience a refreshing and pleasantly scented effect.

Usage instructions:

Massage a small amount of the lotion onto your clean skin and allow it to be absorbed.

250
ML

Micellar cleansing water

Product Specifications:

- Facial makeup remover
- Anti-inflammatory and hypoallergenic
- Protects the skin's natural barrier

Product Ingredients:

Propylene Glycol, Sodium EDTA, Allantoin, Vitamin B5, Vitamin A, Sodium PCA, Cucumber Extract, Chamomile Extract, Vitamin E, Aloe Vera Extract, Phenoxyethanol, Permitted Cosmetic Fragrance, Deionized Water

Product Description:

This product effectively removes facial makeup with its advanced water-based formulation, free from alcohol and parabens. It preserves the skin's natural moisture, protecting it from dryness.

Enriched with cucumber and aloe vera extracts, it ensures a cooling and soothing effect on the skin after use.

The chamomile extract in the product helps reduce skin inflammation and prevents skin irritation and sensitivity. The unique and durable packaging of the product ensures that it is easy to carry, allowing you to use it anytime and anywhere without concern about accidental opening.

Usage instructions:

First, moisten a cotton pad with the solution, then gently wipe it across your face. This product does not require rinsing.

Body Shower gel

450
ML

Product Specifications:

- boasts an effective cleansing power suitable for the skin
- eliminating impurities and providing a pleasant fragrance that creates a sensation of coolness
- freshness, and vitality
- This product maintains a pH level compatible with the skin
- It reduces skin irritability
- deeply moisturizes
- and enhances the skin's radiance and softness

Product Ingredients:

The product contains 70% ammonium lauryl ether sulfate, coconut fatty acid diethanolamide, lauramide, glycerin, salt, polyquaternium, mint essence, and deionized water.

Product Description:

Safirani Mint Body Shower, with its excellent cleansing power, removes impurities from the skin and, with its delightful fragrance, brings a sense of coolness, freshness, and vitality.

Its unique composition preserves the skin's pH balance and minimizes skin irritability. The deep moisturizers in the shampoo impart an unparalleled shine and softness to the skin, keeping it smooth and hydrated.

Usage instructions:

First, wet the skin.

Apply a small amount of shampoo to the palm of your hand or onto a loofah and gently spread it over your body's skin. After washing, thoroughly rinse the entire skin.

bran of three grains

Product Specifications:

- Enhances digestive system
- Supports heart health
- Controls blood sugar levels
- Improves nervous system function
- Reduces stress
- Strengthens the immune system
- Maintains healthy skin and hair
- Aids in weight management

Product Ingredients:

Iron, magnesium, phosphorus, potassium, zinc, copper, manganese, selenium, vitamin B, vitamin E

Product Description:

Three - Grain Bran is a beneficial dietary supplement made from a blend of rice bran, barley bran, and wheat bran. It is ideal for individuals looking to improve overall health and digestive performance. The high fiber content in the brans aids in digestion and prevents constipation.

Regular consumption of this product can help with weight management and maintaining a healthy physique. The unsaturated fatty acids in the brans can lower blood cholesterol and prevent heart diseases. The fibrous components of the brans help regulate blood sugar levels and reduce the risk of type 2 diabetes. The B vitamins present in the brans support improved nervous system function and stress reduction.

Minerals such as zinc and selenium in the brans strengthen the body's immune system. Vitamin E and unsaturated fatty acids help maintain healthy skin and hair and prevent premature aging..

Usage instructions:

This product comes in sachet form and is easy to consume.

Simply mix one sachet of "Three-Grain Bran" with water or your preferred beverage daily. You can also add this product as a nutritious supplement to your daily meals to enjoy the benefits.

Brown Rice Bran

450
ML

Product Specifications:

- A nutrient-rich dietary supplement
- High in fiber to improve digestion and weight loss
- Contains B vitamins, niacin, thiamine, and pantothenic acid
- A rich source of Vitamin E, beneficial for skin and hair
- Helps control blood sugar levels and manage diabetes
- Supports cardiovascular health
- Reduces anxiety and improves sleep quality
- Boosts the immune system

Product Ingredients:

Vitamin K, calcium, iron, magnesium, phosphorus, zinc, copper, manganese, selenium, Vitamins B6, B9 (folic acid), B3 (niacin) Unsaturated fats, sodium, potassium, Net carbohydrates, dietary fiber, protein, Vitamin E

Product Description:

Brown rice bran is considered a valuable dietary supplement. It is high in fiber and contains B vitamins, niacin, thiamine, pantothenic acid, and Vitamin E. Regular consumption of brown rice bran can contribute to weight loss, diabetes control, prevention of hair loss, and overall health improvement. Additionally, using it as a beverage before sleep can help reduce anxiety and improve sleep quality. Brown rice bran is a smart choice for a healthier and more energetic life..

Usage instructions:

It is recommended to mix one sachet of the product with a glass of hot or cold water daily. This nutritious drink can be enjoyed at any time of the day, but for maximum benefits, it is advised to consume it before sleep. Brown rice bran can also be added as a nutritious supplement to soups, salads, and other dishes to enjoy its benefits in your meals.

Zinc Shampoo

450
ML

Product Specifications:

- Reduces dandruff and skin problems caused by fungi and bacteria
- Controls scalp oiliness
- Protects hair against UV radiation
- Sulfate-free

Product Ingredients:

Sodium Lauryl Sulfate 99, Sodium Laureth Sulfate 70, Coconut Fatty Acid Diethanolamide, Cocamidopropyl Betaine, Glycerin, Zinc Oxide, Citric Acid Salt, Fragrance, Isothiazolinone Deionized Water

Product Description:

Safirán shampoo, containing nano zinc oxide particles, is an excellent choice for hair and scalp care.

The use of nano zinc oxide particles in this shampoo is highly effective due to their antibacterial and anti-inflammatory properties. These nanoparticles, in addition to protecting against UV rays, help reduce damage caused by sunlight to hair and scalp. Furthermore, due to their very small size, nano zinc oxide particles are capable of better penetration and more even distribution on the scalp and hair, which contributes to deeper cleansing and enhanced scalp and hair health. Additionally, these nanoparticles in the shampoo ensures that hair feels fresher and more invigorated after washing. This product, with its pleasant fragrance, helps create a sense of freshness by eliminating impurities and oils, ultimately leading to strengthened overall hair health.

Usage instructions:

Thoroughly wet your hair with lukewarm water. Apply a sufficient amount of shampoo to your hair and scalp, massage, and then rinse completely.

rice bran shampoo

**Product Specifications:**

- Contains 100% natural rice bran extract
- Acts as a catalyst for hair growth
- Graying Prevention
- Hair Loss Reduction
- Moisturize and soften the hair strands
- Vitamin-Rich in B-group vitamins and vitamin A

Product Ingredients:

The product contains sodium lauryl sulfate (99%), sodium laureth sulfate (70%), coconut fatty acid diethanolamide (lauramide), cocamidopropyl betaine, glycerin, rice bran extract, salt, citric acid, fragrance, isothiazolinone, and deionized water

Product Description:

Safirán rice shampoo, with rice bran extract, is designed for comprehensive care of your hair and scalp. This unique product, leveraging the natural properties of this ingredient, helps reduce dandruff, regulates scalp oil production, and stimulates the metabolism of living hair follicle cells with the B vitamins present in rice bran, aiding in hair growth. The vitamins in this product also prevent hair loss and sudden graying in younger and middle-aged individuals. The sulfate-free formulation of this shampoo offers cleanliness and softness to your hair without causing damage.

Usage instructions:

Silk Cocoon Shampoo

Product Specifications:

- Strengthens hair shaft and root
- Aids in the treatment of split ends
- Effective in reducing hair breakage
- Provides protection against the sun
- Contributes to hair health
- Softens and adds shine
- Hypoallergenic for sensitive scalp

Product Ingredients:

Disodium Laureth Sulfosuccinate, Coconut Fatty Acid Diethanolamide, Hydrolyzed Keratin, Sericin, Glycerin, Sodium Chloride, Permitted Cosmetic and Hygienic Fragrance, Collagen, Coconut Oil, Vitamin B5, Vitamin E, Propylene Glycol, Isothiazolinone, Zinc Oxide, Deionized Water

Product Description:

Safirán Silk Cocoon Shampoo, inspired by the regenerative power of silk, offers a unique hair care experience. Enriched with Vitamin E and glycerin, it effectively nourishes and moisturizes the hair, while the anti-inflammatory properties of zinc oxide help maintain a healthy scalp. This sulfate-free shampoo thoroughly cleanses the hair and, with coconut oil and collagen, enhances its strength and shine. Propylene glycol helps retain hair moisture, ensuring softness and flexibility after each wash. Additionally, hydrolyzed keratin reduces split ends and hair breakage, increasing hair diameter and maintaining its moisture. With this product, your hair will not only be clean and refreshed with every wash, but its health and beauty will also be significantly improved.

Usage instructions:

Thoroughly wet your hair with lukewarm water. Gently apply a sufficient amount of shampoo to your hair and scalp, massage, and then rinse completely.

Product Description:

Safirán Steel and Chrome Cleaner Spray offers an unparalleled shine on metal surfaces at home or work. Its advanced formulation with deep cleaning power is suitable for use on dishwashing sinks, faucets, stove surfaces, kebab skewers, knives, forks, and other metal surfaces. It eliminates any kind of stain and fingerprint, creating a mirror-like shine. It not only provides delightful cleanliness but also ensures the longevity and beauty of your steel and chrome without causing any damage.

Usage instructions:

Spray the solution generously onto steel surfaces and after a few seconds, wipe clean with a clean cloth. For better results, ensure to completely clean the surfaces with a damp cloth and then dry thoroughly.

Nano Stove Cleaner

Product Specifications:

- Antibacterial
- Antimicrobial
- Grease surface cleaner
- Long-lasting
- Surface polish

Product Ingredients:

Xanthan gum, Sulfuric acid, Triethanolamine, Ethoxylated alcohol C7, Ethoxylated alcohol C3, EDTA, Sodium carbonate, permitted fragrance, Deionized water

Product Description:

The Nano Stove Cleaner, containing ZNO particles, is a powerful cleaner based on nanotechnology. It effectively removes the toughest accumulations of grease and oil from surfaces such as stoves, hoods, and other greasy areas. Its formulation cleans and restores the shine to the surfaces.

The mechanism of action for the nano cleaner gas containing ZNO particles operates by creating a soapy property that softens fats and oils, then subsequently detaches them from the surface. A unique feature of this product is its plant-based formulation, which has been processed with nanotechnology and is devoid of acidic substances. This ensures that no damage is inflicted upon the intended surface. Zinc oxide (ZNO) is one of the strongest nanostructures in terms of diversity and application. Due to its semiconducting nature and possessing a wide band gap, high thermal resistance, and piezoelectric properties, zinc oxide is extensively used in various industries including optics, electronics, rubber, steel, plastics, ceramics, glass, wood, cement, paint, and adhesives, in addition to medical applications. The nano stove cleaner containing ZNO nanoparticles benefits from all the properties of these nanoparticles, such as high cleaning efficiency, polishing ability, antibacterial action, and more.

Usage instructions:

Spray a small amount of the product on the stove and after a few minutes, wipe it clean with a clean cloth. For better results, ensure the surface is completely cleaned with a damp cloth and then dried.

Multi-Purpose Cleaner

600
ML

Product Specifications:

- Contains antibacterial nanoparticles
- Disinfectant
- Powerful stain remover for grease
- Effective on food stains
- Removes soot, paint, and grime
- High cleaning power
- Hypoallergenic
- Ammonia-free

Product Ingredients:

Sodium carbonate, Sulfonic acid, Tetrasodium ethylenediaminetetraacetic acid (EDTA), Oregano oil, Triethanolamine, Xanthan gum, Approved cosmetic fragrance, Deionized water

Product Description:

Safirani Multi-Purpose Cleaner, utilizing nanotechnology, effectively removes tough and resistant stains with ease. Its antibacterial formula ensures a germ-free and bacteria-free environment after use. This powerful cleaner delivers cleanliness and shine without damaging surfaces. It is suitable for use on all leather, fabric, plastic surfaces, and more.

Usage instructions:

Before use, shake the product well to ensure the ingredients are thoroughly mixed. Spray a sufficient amount of the product onto the desired stain from a distance of 10 to 15 centimeters. After a few minutes, gently clean the surface with a damp cloth or sponge. For more stubborn stains, you can leave the product on the surface for a longer period before wiping it off.

Sport Shoe Cleaning Foam

150
ML

Product Specifications:

- Waterless shoe cleaner
- effectively removes tough stains and dirt

Product Ingredients:

Water, Emulsifier, Zinc Ricinoleate

Product Description:

Safirán Shoe Cleaning Foam is ideal for use on suede and sports shoes. It provides a deep clean, giving your shoes a fresh and clean appearance. The usage is easy and quick, requiring no rinsing, making it perfect for daily use. Additionally, it leaves no yellow residue on white shoes, keeping them clean and shiny.

Usage instructions:

Evenly spread the foam over your shoe. Allow the foam to sit for 3 to 5 minutes. Then, using a soft cloth or sponge, gently spread the foam over the shoe. Without the need for washing, place the shoe in a dry and cool environment to dry. Please note that this foam should only be used on shoes that are moisture-resistant.

Leather Cleaner and Protector

Product Specifications:

- Protects leather against UV sun rays
- Prevents cracking
- Cleans stains and dirt from leather
- Prevents discoloration of leather
- Softens leather

Product Ingredients:

Silicone, carnauba wax, etc.

Product Description:

Safirán leather cleaner and protector is designed with a unique formulation that is suitable for use on all types of natural and synthetic leather. This product contains silicone oils that help keep the leather soft and moist while also providing a pleasant fragrance. Additionally, protects the leather against ultraviolet rays, which can contribute to maintaining the leather's appearance and durability.

Usage instructions:

To use, first shake the bottle well. Then spray some of the solution onto the leather and spread it over the surface with a soft cloth until it is fully absorbed.

Glass cleaner concentrate

100
ML

Product Specifications:

- An advanced formula to remove dirt and stains
- Creating a clear view without any residue marks.
- Compatible with various types of automotive glass and plastic
- resistant to low temperatures, and prevents ice formation.

Product Ingredients:

Isopropyl alcohol and ...

Product Description:

Get a dazzling shine on your car's glass with Safiran Glass Cleaner Solution. This product is specially formulated to effortlessly eliminate dirt, grease, and stubborn stains without leaving any residue, ensuring that your glass stays spotless and transparent after every use. It is safe to use on all parts of your car and even prevents frost buildup on the glass in winter, providing you with a clear view in all weather conditions.

Usage instructions:

Mix the product with 5 liters of water, then pour it into the car's glass cleaner reservoir and use as directed. Remember to keep this product out of reach of children and avoid any contact with the skin and eyes."

Anti-Fog Glass Cleaner

600
ML

Product Specifications:

- Eliminates fogging and steaming on the glass surface
- Long-lasting effect
- Suitable for use on glass and plastic surfaces

Product Ingredients:

Ethanol and...

Product Description:

With the introduction of Safiran Anti-Fog Glass Cleaner, concerns about limited visibility while driving on rainy days are a thing of the past.

This innovative product, with its advanced formulation, creates an invisible protective layer on the glass that prevents fogging and steaming.

It is simple to use; just a few quick sprays will protect your vehicle's windows for an extended period against various weather conditions. Moreover, this environmentally friendly product does not damage the glass or the car's seals. Beyond its application in vehicles, this anti-fog glass cleaner is also ideal for use in bathrooms. By using it on bathroom mirrors, you no longer have to worry about them fogging up after a shower. Our unique formulation ensures that mirrors remain clear and fog-free.

Usage instructions:

Spray a small amount of the glass cleaner onto the desired surface, then wipe it off with a cloth and allow it to dry.

Dashboard Polish

Product Specifications:

- Polymer formulation based on nano-technology
- Prevents cracking and discoloration of the dashboard by reinforcing the polymer texture
- Cleans and polishes the dashboard surface
- Prevents dust accumulation
- Prevents light reflection on the dashboard surface

Product Ingredients:

Silicone, carnauba wax, etc

Product Description:

Product Description: The vehicle's dashboard is constantly exposed to the air and direct sunlight, which can sometimes cause cracking and, discoloring leading to a loss of its original beauty over time.

Safiran's dashboard wax, utilizing advanced technology and innovative ingredients, acts as a powerful protector for your vehicle's dashboard.

This product creates a protective layer, shielding the dashboard from environmental damage such as harmful UV rays and dust. By using Safiran's dashboard wax, not only will your dashboard regain its initial shine and beauty, but it will also become more resistant to cracking and discoloration.

Usage instructions:

To use, first shake the bottle well. Then spray some of the solution onto the dashboard and spread it with a soft cloth over the surface until it is completely absorbed.

Cold Engine Cleaner

600
ML

Product Specifications:

- Powerful oil and grease remover
- Prolongs the useful life of engine oil
- Enhances the longevity and durability of the engine
- Suitable for use on the cold
- engineHigh cleaning power against carbon contamination
- Protects the engine from pollutants

Product Ingredients:

Emulsifiers, phosphates, etc

Product Description:

Safirán Cold Engine Cleaner, with its high efficacy in removing grease, aids in the maintenance and preservation of the vehicle's engine and the longevity of its oil. The formulation of this product ensures that even areas that are difficult to access can be cleaned with ease. Additionally, its pleasant fragrance makes using the product a delightful experience. This cleaner is usable at low temperatures and does not require the engine to be pre-heated.

Usage instructions:

Spray onto the desired surface and allow it to work for up to 5 minutes, then rinse thoroughly with a strong water jet. If there is a thick layer of dust, use a brush. Do not use it on hot surfaces or in direct sunlight. For safety during use, wear protective glasses.

ML

Car Wax

Product Specifications:

- Protects the car's paint from sunlight exposure
- Imparts a glossy appearance to the vehicle
- Shields the car's body from scratches and scuffs

Product Ingredients:

Carnauba wax, silicone, etc.

Product Description:

Nano car body wax creates a thin protective layer on the vehicle's surface, enhancing the body's shine while preventing paint damage due to solar radiation. Additionally, the protective layer formed prevents rusting and oxidation of the car's body. It also minimizes the direct contact of airborne particles such as dust, soot, ultraviolet rays, and humidity with the car's paint and body, reducing the need for frequent car washes.

Usage instructions:

After washing the car, dry it thoroughly. Then, spray the wax onto the body and spread and clean it with a soft cloth over the car's surface.

Wheel Brightener

Product Specifications:

- Polymer formulation based on nano-technology
- Creates a durable protective layer
- Prevents the re-accumulation of dust and environmental pollutants
- Produces a brilliant layer on the wheel

Product Ingredients:

Silicone and other proprietary ingredients

Product Description:

Safirán Wheel Brightener is designed to enhance the shine and beauty of your vehicle's wheels. This product, with its special formulation that includes cleaning and brightening agents, quickly removes dirt and stains from the wheel and creates a smooth and shiny surface, giving the vehicle a new and attractive look.

Regular use of this product can extend the life of the wheels and prevent rust and corrosion. Suitable for all types of aluminum, steel, and alloy wheels.

Usage instructions:

For best results, it is recommended to clean the wheels with water and mild detergents before using the brightener, and then apply the product to the dried surface. This ensures that the brightener is evenly distributed and has the maximum effect.

Car Shampoo and Wax

500
ML

Product Specifications:

- Powerful cleaner
- Ease of use
- Environmentally friendly
- Contains non-damaging compounds to protect the vehicle's body

Product Ingredients:

Carnauba wax and...

Product Description:

Safirán new product, a car body cleaner and wax, not only removes pollutants from the surface of your vehicle but also simultaneously creates a protective layer of body wax on your car, delaying the need for a wax recharge.

This dual formula, with a combination of powerful cleaning agents and brightening wax, ensures that your vehicle remains clean and shiny.

Easy to use with immediate results, our product is the ideal solution for maintaining the beauty and luster of your car without causing any damage to the body.

Usage instructions:

Mix at a ratio of one to ten with water (one liter of the product with ten liters of water) and wash the car using a sponge or cloth with circular motions without applying too much pressure, then rinse off. Please note that the cleaner should not be used when the car is hot. Also, avoid mixing it with other cleaners.

Nano Car Wash

Product Specifications:

- Saving water and car washing with a polymer formula based on nanotechnology.
- Creating a protective layer for the car's paint against UV sunburn and environmental pollution.
- Enhancing the lifespan of the car's paint, making the surface glossy and polished.
- Develops water-repellent and anti-static characteristics that prevent the accumulation of dust and dirt.
- Prevention of circular line formation caused by water pressure and the use of low-quality detergents.

Product Description:

Silicon, carnauba wax, and other components.

Usage instructions:

When you use Safiran Nano Car Wash spray, you can save water and time while effectively cleaning and enhancing the appearance of your vehicle. This product leaves a layer of nano-detergent on the car's body, acting as both a protector and polisher. It not only cleans the car but also boosts the shine and beauty of the paint. Additionally, it removes pollutants and provides a protective layer against sun damage to the car's paint.

Usage instructions:

Safiran Nano Car Wash spray is versatile and can be used to clean your car's surface anytime, anywhere with just a spray and a cloth.

Car power

Product Specifications:

- Compatible with oxygen sensors and catalytic converters
- Reduces harmful pollutants
- Prevents corrosion in the fuel delivery system
- Restores lost power and acceleration of the engine
- Improves gasoline combustion
- Ensures smoother and more efficient engine operation
- Increases the lifespan of the fuel pump and injector system
- Significantly reduces fuel consumption relative to distance traveled

Product Description:

Contains solvent toluene and other components..

Usage instructions:

This product effectively cleans injector nozzles, throttle bodies, combustion chambers, spark plug heads, valves, pistons, and the cylinder head environment from the toughest carbon deposits and contaminants, preventing their reformation. It also protects the fuel delivery system against corrosion. The cleaning properties of the injectors and valves eliminate rough engine performance and improve initial engine start, significantly reducing harmful pollutants and fuel consumption.

Usage instructions:

First, change the vehicle's fuel filter. Add the cleaner to the fuel tank and then refuel. Ensure the fuel tank contains 40 liters of gasoline. This additive is designed for a maximum of 50 liters of gasoline, and its effectiveness decreases if mixed with a larger volume. Adhering to the recommended mixture ratio ensures maximum product efficiency. For thorough cleaning of your vehicle's fuel system from various contaminants, we recommend using Safiran standard and high-quality fuel system cleaners.

Car Air Freshener

10
ML

Product Specifications:

- Safe ingredients for humans and animals
- A natural air freshener made with organic fragrant oils
- Water-based

Product Ingredients:

Isopropyl alcohol, ethanol, emulsifier, etc

Product Description:

Begin every journey with a sense of freshness and vitality using Safiran's car air freshener.

Our unique formula, utilizing natural extracts, not only perfumes the air inside your vehicle but also brings a sense of calm and freshness. This product is easy to use and, with its long-lasting effect, is the ideal companion for your car.

Rubber Glossy

120
ML

Product Specifications:

- Creates a durable protective layer
- Prevents the absorption of dust and environmental pollutants
- Produces a brilliant layer on the vehicle's tires.

Product Ingredients:

Silicone 350

Product Description:

The tire is an important component of a vehicle, but it can become worn over time with continuous use.

Proper care of the tires not only helps to extend their lifespan but also enhances the safety of the vehicle and prevents premature tire replacement.

Factors such as direct exposure to sunlight can damage the tires and reduce their useful life. The aesthetic appearance of a vehicle is largely influenced by the condition of the tires, and using Safiran's glossy and protective tire spray is one way to improve the shine and luster of the tires.

This product contains nano-particles that quickly eliminate airborne particles and greases, thereby increasing the durability and longevity of the tires.

Usage instructions:

To apply, first, spray the product onto clean tires. After a few minutes, use a clean cloth to wipe the tire surface.

Cigarette odor remover spray

Product Specifications:

- Eliminates unpleasant cigarette odors within seconds .
- Exceptionally efficient with long-lasting effectiveness .
- Effectively eradicates airborne bacteria and provides anti. microbial action in the air with anti-bacterial properties .
- Free from any fragrances or scent-enhancing substances.
- Remarkable strength with direct penetration of the molecules that emit cigarette odor.
- Neutralizes cigarette smoke and odor within seconds.

Product Description:

Solvent: Propylene Glycol, etc.

Usage instructions:

This spray, free of any aromatic additives, effectively purifies the air from the odor of cigarette smoke. It can be used in work environments, car cabins, and on surfaces contaminated by cigarette smoke such as clothing, ashtrays, and other areas, providing odor elimination and microbial reduction for the consumer, and delivering fresh and unpolluted air. Furthermore, the colorlessness of this spray ensures that no stains or marks remain when used on white fabric and leather surfaces..

Usage instructions:

When applying, spray towards the area and avoid direct spraying towards humans, plants, and animals.

Car Paint Restorer

Product Specifications:

- Restoration and recovery of dull and matte paints with powerful effects
- Advanced technology for exceptional shine
- Long-lasting and permanent durability
- Original paint gloss and clarity
- Easy to use with quick results.

Product Description:

Carnauba wax, Beeswax, Abrasive materials

Usage instructions:

DBJ Soft Car Paint Recovery contains abrasive materials to smooth the paint and remove oxidation. The natural wax ingredients provide a protective coating for the car's paint, shielding it from elements such as UV rays, acid rain, road salt, dirt, animal droppings, and tree sap. Regular use of this product also makes washing and cleaning the car easier over time.

Usage instructions:

Wash, clean, and dry the desired surface.
First, apply a sufficient amount of the product onto a sponge pad.
Then, gently rub onto the desired surface to create a new shine and wipe clean with a microfiber cloth.
